

DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU

LRB-0947/1dn
DAK:jld:sh

December 11, 2006

To Representative Townsend:

In the bill, at s. 253.12 (5) (c), is a date by which DHFS must prescribe and distribute the forms by which a parent or guardian can refuse or withdraw consent to the release of information about a stillborn human, infant, or child; under 2005 Assembly Bill 1098 the date was January 1, 2007, and I have changed it to July 1, 2009. I also have required that DHFS periodically distribute copies of the form thereafter. Okay?
