

2007 ASSEMBLY BILL 193

March 19, 2007 – Introduced by Representatives MUSSER, MURSAU, BOYLE, BIES and ALBERS, cosponsored by Senators VINEHOUT, SCHULTZ, BRESKE and COGGS. Referred to Committee on State Affairs.

- 1 **AN ACT** *to amend* 13.0992 (2) (c) and (6); and *to create* 13.0992 of the statutes;
2 **relating to:** preparation of tribal impact statements for bills that would have
3 an impact on tribal governments or American Indians.

Analysis by the Legislative Reference Bureau

The bill requires the preparation of tribal impact statements for bills that apply specifically to tribal governments or American Indians or that affect tribal governments or American Indians differently than other governments or entities or other individuals. The requirements of the bill are designed to parallel the current law requirements for the preparation of statements describing the fiscal impact of legislation.

The bill requires the Legislative Reference Bureau to identify bills needing a tribal impact statement and authorizes either house of the legislature to request such a statement. In addition, any cochairperson of the Special Committee on State-Tribal Relations may request a tribal impact statement. If a Wisconsin Tribal-State Council is created, as may be proposed in separate legislation, the bill permits a cochairperson or the executive director of the council to request a tribal impact statement. The bill directs the Department of Administration to assign the preparation of a tribal impact statement to the appropriate agency or agencies. The bill establishes a deadline for the preparation of the statement and requirements for its distribution. Finally, the bill provides that a standing committee may not hold a public hearing or take executive action on or report a bill for which a tribal impact statement is required before receipt of the statement or until the deadline for the preparation of the tribal impact statement has expired, whichever is earlier.

ASSEMBLY BILL 193
