## Fiscal Estimate Narratives

DOA 3/28/2007

LRB Number 07-0297/1	Introduction Number AB-0193	Estimate Type Original
<b>Description</b> Preparation of tribal impact statements for bills that would have an impact on tribal governments or American Indians		

### Assumptions Used in Arriving at Fiscal Estimate

It is unknown at this time how many bills might be introduced that would require tribal impact statements. Until specific bills are presented, it is also unknown how much research might be required and what data might exist (or be created) upon which to base such impact statements.

If the existing automated fiscal estimate system can be used and modified to also include requests for tribal impact statements, there would be little added costs to administer the inclusion of such statements. If a new system is required, application development costs would occur. The assumption is that the present system would simply add a request for a tribal impact statement to be incorporated into, or instead of, a fiscal estimate.

### Long-Range Fiscal Implications

Unknown.
