Assumptions Used in Arriving at Fiscal Estimate

No data is available by which to estimate the number of cases that would be referred to District Attorneys' offices by law enforcement were this bill to be enacted. It is possible that there would be a small to moderate number of cases each year.

Long-Range Fiscal Implications

It is too early to project long-term fiscal implications if such a bill were enacted. It would be prudent to review such data after the bill had been in place for a few years.
