AN ACT ...; relating to: the maximum amount of an academic excellence higher education scholarship.

*Analysis by the Legislative Reference Bureau*

Under current law, the Higher Educational Aids Board (HEAB) administers the Academic Excellence Higher Education Scholarship Program under which HEAB awards scholarships to certain students designated on the basis of high school grade point average, who enroll on a full-time basis in a public or private institution of higher education in this state that is participating in the program (designated scholar). Currently, a designated scholar who enrolls in an institution within the University of Wisconsin (UW) System or a technical college that is participating in the program is entitled to receive a scholarship that exempts the scholar from all tuition and fees at the institution or technical college, subject to a maximum amount of \$2,250 per academic year, with HEAB to pay an amount equal to 50 percent of the student's tuition and fees, subject to a maximum amount of \$1,125 per academic year, and the institution or technical college to match the amount paid by HEAB. Similarly, a designated scholar who enrolls in a private institution of higher education that is participating in the program is entitled to have paid by HEAB, on his or her behalf, an amount equal to 50 percent of the tuition and fees charged a resident undergraduate at the UW-Madison in the same academic year, subject to a maximum amount of \$1,125 per academic year, with the private institution of higher education to match the amount paid by HEAB.

This bill eliminates those maximum scholarship amounts so that under the bill a designated scholar who enrolls in an institution within the UW System or a technical college that is participating in the program is exempt from all tuition and fees at the institution or technical college, with HEAB to pay 50 percent of the
