1 AN ACT *to renumber and amend* 121.55 (3); and *to create* 121.55 (3) (b) of the
2 statutes; **relating to:** transportation of pupils to private schools.

Analysis by the Legislative Reference Bureau

Under current law, a school board is required to transport pupils to private school under certain conditions. If the estimated cost of transporting a pupil to a private school is more than 1.5 times the school district's average cost per pupil for bus transportation, the school board may fulfill its obligation to transport the pupil by contracting with the pupil's parent or guardian. The contract must provide for an annual payment for each pupil of at least \$5 times the number of miles between the pupil's residence and the private school, or the school district's average cost per pupil for bus transportation, whichever is greater.

This bill ~~allows a school board to satisfy the transportation requirement by paying the parent or guardian, regardless of whether the estimated cost of the transportation is more than 1.5 times the school district's average cost per pupil for bus transportation.~~ The bill also provides that, if two or more pupils reside in the same household and attend the same private school ~~on the same school schedule~~, the contract may, at the discretion of the school board, provide for a total annual payment of the amount described above for all of the pupils instead of for each of the pupils.

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
