

2007 ASSEMBLY BILL 420

June 21, 2007 – Introduced by Representatives J. OTT and GOTTLIEB, cosponsored by Senator DARLING. Referred to Committee on Urban and Local Affairs.

1 **AN ACT to create** 43.64 (2) (c) of the statutes; **relating to:** exempting a city, town,
2 village, or school district from the county library tax.

Analysis by the Legislative Reference Bureau

Under current law, a county board may levy a tax for the purpose of providing public library services to county residents. A city, town, village, or school district located in the county is exempt from the county tax if the city, town, village, or school district levies a tax for public library services at a rate that is equal to or greater than the county library tax rate.

This bill provides an exemption from the county library tax if the city, town, village, or school district levies a tax for public library services and spends for a library fund an amount that is not less than the average of the three previous years, the county board approves the exemption, and (for the first year of exemption under this new method) the city, town, village, or school district qualified for the exemption using the method described above in each of the three previous years.
