2005 ASSEMBLY BILL 1022

February 14, 2006 - Introduced by Representatives GIELOW, GOTTLIEB, JESKEWITZ and LEMAHIEU, by request of Ozaukee County Board. Referred to Committee on Urban and Local Affairs.

regen.

1 AN ACT *to amend* 43.64 (2) (b) 1.; and *to create* 43.64 (2) (c) of the statutes;
2 *relating to:* exempting a city, town, village, or school district from the county
3 library tax.

Analysis by the Legislative Reference Bureau

Under current law, a county board may levy a tax for the purpose of providing public library services to county residents. A city, town, village, or school district located in the county is exempt from the county tax if the city, town, village, or school district levies a tax for public library services at a rate that is equal to or greater than the county library tax rate. ~~This bill excludes the amount levied by the county for public library capital expenditures when determining whether a city, town, village, or school district is exempt.~~

This

The bill also provides an exemption from the county library tax, ~~if the county board approves, for a city, town, village, or school district that levies a tax for public library services, less the amount levied for public library capital expenditures, and spends for a library fund an amount that is not less than the average of the three previous years.~~

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

the county board approves the exemption, and if for the first year of exemption under this new method the city, town, village, or school district qualified for the exemption using the method described above in each of the three previous years
