Casey, if you look at s. 118.51 (3) (a) of the statutes, you'll find the timeline for applications under the open enrollment program. Here's basically what it says:

- An application must be submitted by the third Friday in February.
- The school districts must notify the pupil of acceptance or rejection by the first Friday following the first Monday in April.
- If an application is accepted, the nonresident school district must notify the pupil of the specific school he or she may attend by the second Friday following the first Monday in May.
- The pupil must notify the nonresident school district of his or her intent to attend that school district by the first Friday following the first Monday in June.
- By June 30, the nonresident school district must report the names of the pupils it has accepted to the resident school district.

Here's a link to DPI's web site about the program: <http://www.dpi.state.wi.us/sms/psctoc.html>

On that page, if you click on [Open Enrollment Brochure 2007-08](#) or [Important Dates for 2007-2008](#), you'll find the timeline.

Any questions, let me know.

2007 ASSEMBLY BILL 402

June 14, 2007 - Introduced by Representatives STASKUNAS, JORGENSEN, HAHN and PETROWSKI, cosponsored by Senators OLSEN, DARLING, ROESSLER and SCHULTZ. Referred to Committee on Education.

Analysis by the Legislative Reference Bureau

Under the current full-time open enrollment program, a pupil may apply to attend a public school in a school district other than the pupil's resident school district if certain conditions are met. Current law establishes criteria that a school district must use to determine whether to accept or reject a nonresident pupil. A school board may consider the availability of space in the school or program to which the nonresident pupil has applied, whether the pupil has been expelled from school during the current or two preceding school years for certain specified reasons, whether a disciplinary proceeding involving the pupil is pending, and whether the pupil's individualized education program needs have been evaluated by the resident school district or can be fulfilled in the nonresident school district. A school district must adopt a resolution specifying its acceptance and rejection criteria.

This bill permits a school district to consider additional criteria related to the disciplinary and criminal history of a pupil when deciding whether to accept or reject the nonresident pupil. These additional criteria include whether the pupil has been suspended in the previous school year; whether the pupil has ever been expelled or
