

**DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU**

LRB-2462/1dn
RPN:bjk&cjs:wn

May 8, 2007

Although, the request suggested adding certain advanced practice nurses to those who can fill out certain medical forms, perhaps physician's assistants could also be given that right since they act in a similar manner. However, we did not include physician's assistants in this draft.
