5 the statutes; relating to: open burning of solid waste, illegal storage or
6 disposal of waste tires, and providing a penalty.

Analysis by the Legislative Reference Bureau

Open burning

Under current law, the Department of Natural Resources (DNR) regulates solid waste management, including the open burning of solid waste. Open burning is burning from which smoke is emitted directly into the air, without passing through a chimney. Under current law, DNR issues citations (similar to traffic tickets) for violations of certain laws, such as those regulating hunting, fishing, and littering. As with most environmental laws, the Department of Justice enforces the laws related to open burning by prosecuting violations in circuit court. This bill authorizes DNR and local law enforcement officials to issue citations for violations of laws or licenses regulating the open burning of solid waste.

Under the bill, there is no penalty connected with a citation for an open burning violation that is committed within a year after the bill takes effect. After that, the

ASSEMBLY BILL 878

bill provides a maximum forfeiture (civil penalty) of \$500 for an open burning violation for which a citation is issued, except that the maximum forfeiture is \$5 for a first offense involving a person burning limited amounts of residential solid waste on the person's own property. In addition, the bill exempts a person who is subject to the \$5 maximum forfeiture from the crime laboratories and drug law enforcement surcharge, the environmental surcharge, the jail surcharge, the penalty surcharge, the court support services surcharge, and the justice information system surcharge.

Waste tires

Under current law, DNR issues operating licenses and approves plans of operation for facilities at which solid waste is stored, treated, or disposed of. This bill authorizes DNR to issue a citation to a person who operates a solid waste facility at which waste tires are stored, treated, or disposed of without a license or in violation of an approved plan of operation.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

1 AN ACT to amend 23.50 (1), 23.53 (1), 110.07 (1) (a) 1. and 3., 110.07 (1) (b),
2 165.755 (1) (b), 287.81 (title), 299.93 (1), 299.95, 302.46 (1) (a), 345.11 (1u),
3 345.20 (2) (g), 757.05 (1) (a), 814.85 (1) (a) and 814.86 (1); to repeal and
4 recreate 23.50 (1); and to create 60.24 (3) (vm), 287.81 (1) (as), 287.81 (4) and
5 (5), 289.97 (2) and 299.93 (1m) of the statutes; relating to: open burning of solid
6 waste, illegal storage or disposal of waste tires, and providing a penalty.

Analysis by the Legislative Reference Bureau

Open burning

Under current law, the Department of Natural Resources (DNR) regulates solid waste management, including the open burning of solid waste. Open burning is burning from which smoke is emitted directly into the air, without passing through a chimney. Under current law, DNR issues citations (similar to traffic tickets) for violations of certain laws, such as those regulating hunting, fishing, and littering. As with most environmental laws, the Department of Justice enforces the laws related to open burning by prosecuting violations in circuit court. This bill authorizes DNR and local law enforcement officials to issue citations for violations of laws or licenses regulating the open burning of solid waste.

Under the bill, there is no penalty connected with a citation for an open burning violation that is committed within a year after the bill takes effect. After that, the

BILL

bill provides a maximum forfeiture (civil penalty) of \$500 for an open burning violation for which a citation is issued, except that the maximum forfeiture is \$5 for a first offense involving a person burning limited amounts of residential solid waste on the person's own property. In addition, the bill exempts a person who is subject to the \$5 maximum forfeiture from the crime laboratories and drug law enforcement surcharge, ~~the environmental surcharge,~~ the jail surcharge, the penalty surcharge, the court support services surcharge, and the justice information system surcharge.

Waste tires

Under current law, DNR issues operating licenses and approves plans of operation for facilities at which solid waste is stored, treated, or disposed of. This bill authorizes DNR to issue a citation to a person who operates a solid waste facility at which waste tires are stored, treated, or disposed of without a license or in violation of an approved plan of operation.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
