

**DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU**

LRB-2829/1dn
RCT:lmk:rs

August 3, 2007

While completing this redraft I realized that the draft lacked a penalty for failure to provide the required information to the purchaser of a dog. This would apply to anyone selling a dog, not just breeders or pet stores. I added a forfeiture of up to \$500. Please let me know if you would prefer a different penalty.
