Subject: Technical Amendment for SB 308/AB 567

Hi Becky,

Tyler and I would like a technical amendment to the puppy bill drafted. Here is what I would like it to include. Please feel free to contact me with questions.

1. Section 7 (page 6): Would like it to say: If a local law enforcement agency receives a complaint alleging a violation of this section or otherwise has reason to believe that a violation has occurred, the local law enforcement agency ~~may~~ SHALL conduct an investigation and report its findings to the department OR PASS THE COMPLAINT ON TO ANOTHER APPROPRIATE LAW ENFORCEMENT AUTHORITY (i.e. city, county, or DATCP).
2. We want to clarify that the bill applies to one parcel of property or make it site specific. For example, we discovered a possible loophole in that a husband and a wife, for example, could sell a number of dogs that would require licensure, but could say that some dogs belong to the wife & others to the husband, therefore, they don't have to be licensed. We also hear of dogs being bred at a certain spot & being taken to a different location to be sold. So we just want to clarify that it applies to the same property and/or that it's site specific.
3. Would it be possible to add something along the lines of requiring those who are supposed to be license to display that license? We heard from people at the public hearing about this sense of "knowing" so if we add a clause that would require those who need to be licensed to display that license it would clear up that issue.
4. License Section (page 4, line 18), change may to shall (The department ~~may~~ SHALL not issue a license...)--I realize this may just be a drafting style, but I just want to clarify that the dept. can't issue a license w/o the application.
5. We would like to add brokers to the bill requirements. While I understand they can't be added under the licensure b/c they're not actually breeding the dogs, if they could be added to the other parts of the bill where it would apply, specifically Section 6, page 6, line 1, Rules (c) add brokersand if there are other places they could be added. I just want it to be explicit that they are covered under the bill & would be required to provide a remedy to a consumer, a retail store or whoever else they sell dogs to.
6. Starting on page 6, (9) Penalties - allow for seizure of the animals if the appropriate authority deems it necessary
7. Add a clause that says anyone convicted of animal cruelty, either in WI or other states, is prohibited from obtaining a license.
8. In the remedy and procedure sections, we'd like to define "present" if it's not already defined statutorily somewhere else-- (i.e. we'd like the definition of present in regards to our bill to be "in writing", at a minimum).
9. I guess this is more of a clarification issue. We just want to make sure that the bill is clear that the purchaser has a choice of remedy & the only remedy that is permissive for the seller is the replacement of a puppy.

Thanks for all your hard work. I'm sure you're busy, but if you get this to us ASAP, as we'd like to have it ready for the committees execs in a couple weeks.

Thanks!

Best,

Amber
