

**DRAFTER'S NOTE**  
**FROM THE**  
**LEGISLATIVE REFERENCE BUREAU**

LRB-2785/1dn  
RCT:jld:rs

May 29, 2007

Rep. Jorgensen:

This draft increases the maximum penalty for littering to \$1,000.

I have recently had another idea about the littering penalty for you to consider. If the statutes specified a minimum penalty for littering, I think that the Judicial Conference would increase the basic deposit to at least the amount of the minimum penalty. A basic deposit of \$100, for example, would result in a total deposit amount of \$249 (compared to the current \$186) for a person who is issued a citation for littering.

Please let me know if you have any questions or want to make any changes in the draft.
