Subject: Another amendment to AB 682

Hi Becky, I just spoke with Rep. Wood and he would like a simple amendment drafted for AB 682 that would clarify the department's authority as follows:

- Page 4, line 15, after "refiners" insert ", or not available to refiners at a comparable price, to be defined by the department by rule"
- Page 4, line 18, after "fuel" insert ", or not or not available to persons selling diesel fuel at a comparable price, to be defined by the department by rule"

~~He would also like a simple amendment drafted to Rep. Albers' sub that does the same thing (in that case of course, only the first insertion would apply). Rep. Albers has authorized us to work with Rep. Wood on these amendments.~~

Thanks,

Larry
