2 prohibiting certain persons from obtaining a license that authorizes hunting
3 with a firearm and providing a penalty.

Analysis by the Legislative Reference Bureau

Current law prohibits certain persons from possessing a firearm. Felons are prohibited from possessing a firearm subsequent to conviction and certain persons adjudicated delinquent may not possess a firearm subsequent to adjudication. A person found not guilty of a felony by reason of mental defect is prohibited from possessing a firearm subsequent to the not guilty finding. Current law also prohibits certain persons ordered not to possess a firearm, such as those committed for treatment for a mental illness, from possessing a firearm while subject to that order. A person who is enjoined from committing acts of domestic abuse or who is enjoined from coming into contact with a child is prohibited from possessing a firearm while the injunction is in effect. Finally, a person who is subject to an order that prohibits the person from engaging in harassing behavior and from possessing a firearm is prohibited from possessing a firearm while the order is in effect.

This bill prohibits a person who, under current law, is prohibited from possessing a firearm from obtaining a hunting license that authorizes the person to hunt with a firearm, such as a small game hunting license or a deer hunting license (hunting license). The bill requires the Department of Natural Resources (DNR) to annually request that the Department of Justice conduct a firearms restrictions record search with respect to every person to whom DNR issued a hunting license
