**2005 BILL**

1 **AN ACT to create** 941.295 (2) (f) of the statutes; **relating to:** electric weapons.

***Analysis by the Legislative Reference Bureau***

Current law prohibits selling, transporting, manufacturing, possessing, or going armed with an electric weapon, which is a device that is designed, redesigned, used, or intended to be used to immobilize or incapacitate persons by the use of electric current. This prohibition does not apply to peace officers, on-duty armed forces or national guard personnel, on-duty corrections personnel employed by the Department of Corrections, manufacturers or sellers who provide electric weapons exclusively to those persons, or common carriers transporting electric weapons.

This bill makes the prohibition regarding electric weapons inapplicable to a full-time employee of a University of Wisconsin (UW) System police force if a substantial portion of the employee's duties include providing security services at a UW System campus or facility.

***The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:***

2 **SECTION 1.** 941.295 (2) (f) of the statutes is created to read:

on-duty  
county corrections
