1 AN ACT ...; relating to: hunting deer of either sex by the holder of a Class B
2 hunting permit. ✓

Analysis by the Legislative Reference Bureau

Under current law, the Department of Natural Resources (DNR) is required to issue a Class A permit to any person holding a hunting license and who is permanently disabled due to not being able to walk or due to suffering significantly from lung or cardiovascular disease. ✓ DNR is required to issue a Class B permit to any person holding a hunting license who has a temporary disability which restricts his or her mobility or walking ability, and who is wearing a cast due to a leg, hip, or back injury or who has had leg, hip, or back surgery. DNR is authorized, but not required, to issue a Class B permit to a person who has another type of temporary disability that restricts mobility or that is due to illness, injury, or having had an operation. DNR is required to issue a Class C permit to any person who is visually handicapped. ✓

Under current law, DNR may impose restrictions on the type or sex of deer that may be taken by a person holding a deer hunting license, including a requirement that a person kill an antlerless deer before killing one with antlers. ✓ Current law exempts a holder of a Class A or a Class C permit from this restriction by providing that a holder of such a permit may hunt deer of either sex. This bill expands this exemption to include holders of Class B permits. ✓

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

1 **SECTION 1.** 29.193 (2) (cr) 1. of the statutes is amended to read:

2 29.193 **(2)** (cr) 1. A person holding a current resident or nonresident deer
3 hunting license and a Class A, Class B,[✓] or Class C permit may hunt deer of either sex
4 with a firearm during any season open to hunting of deer with firearms that is
5 established by the department. ✓

6 **History:** 1997 a. 248 ss. 135 to 142, 323, 410; 1997 a. 249 ss. 3 to 13; 1997 a. 322 ss. 2, 3; 1999 a. 9, 32; 2001 a. 17.
