Analysis by the Legislative Reference Bureau

This bill creates a program of child care worker loan repayment assistance to be administered by the Higher Educational Aids Board (HEAB). Under the program, HEAB reimburses a child care worker for 10 percent of the outstanding principal amount of the child care worker's student loans or \$1,000, whichever is less, after the child care worker has been continuously employed full time in this state for at least 12 months as a child care worker and after each additional 12-month period of such continuous full-time employment, subject to a maximum of five assistance payments, if all of the following apply:

1. The child care worker graduated on or after May 1, 2007, with a degree in an area relating to early childhood education.
2. The child care worker is currently repaying a student loan and is not in default on repayment of the loan.
3. The child care worker has submitted to HEAB a statement by the lender certifying the outstanding principal amount of the student loan and that the child care worker is not in default on repayment of the loan.
