RE: Financial Aid to the Neighbor's Place; Amendment of State Statute

Dear Cal:

I have reviewed your FAX. I do not believe that the proposed amendment creating Wis. Stats., Sec. 59.53(2m) is the correct way to go. The proposed amendment seems to be tailored to the Neighbor's Place. It is limited to agencies which have a "substantial purpose providing food to low-income individuals." While it would cover the Neighbor's Place, in my opinion, it would not cover other organizations such as the Women's Community.

If you are going to amend a state statute, I believe that the appropriate statute to amend is Wis. Stats., Sec. 59.53 (3). I would amend that statute to read as follows: "59.53 (3) Social Service Agencies. The board may appropriate funds for promoting and assisting any community action agency under Sec. 46.30 and any nonprofit social service agency organized under IRS Code 501(c)(3) that has a substantial purpose to provide assistance to low-income individuals and individuals who are the victims of domestic violence and related crimes. The County may also appropriate money for making payments to such nonprofit organizations for capital and operational expenses."

If you have any questions or wish to discuss this matter further, please contact me.

Re: **Draft of Legislation**

Dear Bob:

Walter John asked me to fax a copy of a memo I received from our corporation counsel that suggested language for a bill. The memo is being faxed with this letter. The suggested language is in the second paragraph. Our only modification would be to change the word "and" to "or" where indicated. Tom Finley had no objection. Please feel free to call if you have questions or concerns. Thanks for your help.

Very truly yours,
