Subject: Final Legislative Item - Adult apprenticeship

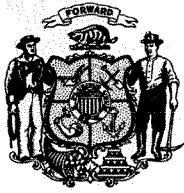

Gordon,

Finally got the answers I needed on the Adult Apprenticeship item we need drafted.

Basically we need an increase of \$300,000 GPR in appropriation 20.445(1)(a) for FY09 only. This would bring the total funding in that appropriation up to \$7,061,000.

The purpose of this funding increase would be to create new apprenticeships in plastics and rubber, printing, utilities and health care. I don't know if you need that information for the draft legislation, however, because I believe DWD has the authority to do this program under current law.
