Subject: Re-draft Request for LRB 1628 - AJR Honoring David A. Brandemuehl

Importance: High

Steve,

The original drafting request for this particular resolution came from Speaker Huebsch's office, but our office is taking the lead on moving it forward.

After a discussion with David Brandemuehl's son, Representative Ott would like two points added to the resolution. In a discussion with Clark Radatz, he indicated I should contact you regarding these additions.

- (1) David farmed for more than 35 years, retiring from farming in 1986 when he was elected to the Assembly. (as referenced in his obituary)
- (2) David also served on the Fennimore Community School Board from 1967-1987. (as referenced in his Blue Book bio)

Rep. Ott knows that David was very proud of these two aspects of his life and public service and feels they deserve mention in the resolution. I leave the appropriate way to frame the language to your expertise.

I have the jacket and will be sending it back over for the re-draft.

Please let me, or Clark, know if you have any questions.

Sincerely,

Erin Ruby
