Please review the attached draft carefully to ensure that it is consistent with your intent. I relied in part on the suggested language provided to me by Bob Andersen, and relied entirely on the statistics included with that suggested language. I have not attempted to verify or update any of these statistics.

Please let me know if you would like any changes made to the attached draft or if you have any questions. If the attached draft meets with your approval, let me know and I will convert it to an introducible "/1" draft.
