Subject: LRB 4153/1 Correction

Steve:

I reviewed the draft and I we need to make a few minor tweaks;

On line 8 of page 1 urban studies should be capitalized

On line 9 of page 1 chair should be capitalized, line 10 social work should be capped

On line 1 of page 2 please substitute "Association" for "Associated"

We would also like to change the final line to read: Wheras, Anne Carol Kok was a true example of leadership, devotion and commitment to her community and in making the world a better place; now, therefore be it

Thanks,
