Subject: RE: Re: Please redraft SB 135 (pfd) for Senator Roessler for 2006-07 session

Hi Mary,

I contacted Bill Engfer, DNR, and my boss regarding the effective date. Both Senator Roessler and Mr. Engfer say an effective date of one year is reasonable. Please draft with a 1 year out effective date.

Thanks!

Karen:

Last session an amendment was adopted delaying the effective date. Do you want a delayed effective date, and if so, do you want it backed up 2 years (that is our standard practice) or do you want a different date?

Thanks,

Mary
