1 AN ACT *to amend* 40.51 (1); and *to create* 20.515 (1) (g) and 40.515 of the
2 statutes; **relating to:** the purchase of health care coverage through the Group
3 Insurance Board by individuals who are engaged in the business of farming,
4 granting rule-making authority, and making an appropriation.

Analysis by the Legislative Reference Bureau

Under current law, the Group Insurance Board, attached to the Department of Employee Trust Funds (DETF), is required to contract on behalf of the state for the purpose of providing health care coverage to state employees. Many other public sector employers may also participate in programs offered by the Group Insurance Board to provide health care coverage for their employees.

This bill provides that, beginning on January 1, ~~2009~~ ²⁰⁰⁸, any individual in this state who is a resident of this state and who is engaged in the business of farming, including any individual who is employed by a farm business, may elect to receive coverage under any health care coverage plan offered to state employees by paying to DETF the full cost of the required premiums. The bill also specifies several conditions that any individual seeking health care coverage under the state plan must meet and authorizes DETF to establish by rule preexisting condition exclusions for individuals who elect to receive coverage under the state plan.

SENATE BILL 108
