Mr. Kreye,

Thank you for the draft, LRB 0080, regarding the Innovation Tax Credit.

In discussion this with Senator Kanavas, I have two minor changes to the draft, and I think that then it would be ready for prime time.

- Increase the amount a claimant may take as a credit in a tax year, increase that to \$500,000
- Increase the credit amount for equipping and operating an eligible innovation facility from 50% to 75%.

Thanks.
