Subject: Amendment to SB 75

Hi Gordon,

On lines 4-5 on page 2 of the bill, please delete "employee believes that the". Section 103.12 (1) will then read as follows: "Any employee who is pregnant or who is breast-feeding her child may request her employer to reasonably accommodate her condition, if the duties or environment of her employment pose a substantial hazard to the present or future health of the employee or of her child or unborn child."

Thank you very much for your assistance.
