Analysis by the Legislative Reference Bureau

Under current law, there is a partial exemption from taxation for unemployment compensation benefits. This bill changes current law by exempting from taxation all unemployment compensation benefits.

Because this bill relates to an exemption from state or local taxes, it may be referred to the Joint Survey Committee on Tax Exemptions for a report to be printed as an appendix to the bill.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
