- 1 AN ACT *to amend* 31.187 (1) and 31.253 (1) of the statutes; **relating to:** removal
- 2 of abandoned dams.

Analysis by the Legislative Reference Bureau

Current law sets forth two procedures that the Department of Natural Resources (DNR) must follow before DNR has a dam removed from a waterway. If the dam is abandoned, DNR must give 60 days' written notice to the dam's owner, if the owner can be found. If not, DNR must publish a public notice three times in the county in which the dam is located.

Also for the removal of any dam by DNR, whether ^{the dam is} abandoned or not, DNR must hold a public informational hearing or publish a class 2 notice ^{saying} that ^{DNR} it will remove the dam without a hearing unless one is requested in writing within 30 days.

STET

This bill requires that, prior to beginning any of these procedures, DNR ^{must} consider the ^{results} the dam removal will have on the safety, health, and welfare of the persons who will be affected by the removal.

For further information see the **state** fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

- 3 SECTION 1. 31.187 (1) of the statutes is amended to read:
