### ***Analysis by the Legislative Reference Bureau***

Current law prohibits discrimination against pupils on a number of grounds, including race and ancestry. This bill provides that a school district resident may object to a school board's use of an ethnic name, nickname, logo, or mascot by filing a complaint with the state superintendent of public instruction. The state superintendent must schedule a hearing on the complaint, at which the school board has the burden of proving by clear and convincing evidence that the use of the ethnic name, nickname, logo, or mascot does not promote discrimination, pupil harassment, or stereotyping. If the state superintendent finds in favor of the complainant, the state superintendent must order the school board to terminate its use of the ethnic name, nickname, logo, or mascot within 12 months after issuance of the order. A school board is subject to a forfeiture of not less than \$100 nor more than \$1,000 for each day that it uses the ethnic name, nickname, logo, or mascot in violation of the order. The decision of the state superintendent is subject to circuit court review.

For further information see the *local* fiscal estimate, which will be printed as an appendix to this bill.
