

**DRAFTER'S NOTE  
FROM THE  
LEGISLATIVE REFERENCE BUREAU**

LRBa0550/1dn  
MES&JK:jld:jf

June 5, 2007

Senator Kapanke:

It is possible that this amendment, as drafted, could be challenged as being nongermane to SB-148. Under Senate Rule 50 (6) (b) 4., an amendment that “substantially expands the scope of the proposal” is nongermane.

SB-148 deals with exempting an assessor and an assessor’s staff from liability for trespassing and creating immunity from civil liability. This amendment requires a municipality to publish on its Web site, or post in public places, information regarding the revaluation of property in a taxation district. It could be argued that this amendment substantially expands the scope of the bill. Also see Senate Rule 50 (6) (b)1. and 3.
