Section 52. 101.123 (3) (M) of the statutes is created to read:

101.123 (3) (m) All retail tobacco shops.

Note: If there is a need to define the term "retail tobacco shop" this could be a guide:

"Retail tobacco shop" means a retail establishment that (i) holds itself out to the public as being devoted primarily to the on-site sale of tobacco, tobacco products and tobacco products accessories, and (11) derives not less than 50% of its total annual gross income from the on-site sale of tobacco, tobacco products and tobacco product accessories. If a tobacco shop is located in an enclosed shopping mall, a hotel or any other building used for multiple purposes or if it shares premises with another business, the tobacco shop shall be completely enclosed and separately ventilated.

Thanks for your help.
