# CORRESPONDENCE/MEMORANDUM

STATE OF WISCONSIN

---

*Date:* June 14, 2007

*To:* Legislative Reference Bureau

*From:* Mitchell Warren  
DMV Legislative Liaison, Department of Transportation

*Subject:* Technical Note for Senate Bill 184

The bill amends s. 343.17(3) to require space for certain information to be included on driver licenses. Contents of identification cards are covered under s. 343.50(3) which refers to s. 343.17(3) for direction as well. This would indicate that the space for the information must be added to all driver licenses and identification cards issued by the DMV.

The bill creates s. 343.177 which specifies that only those individuals that hold a "regular" driver license may list the identity of a person who has custody of their living will or is designated as their healthcare power of attorney.

Please delete the requirement that the space be included on any license or ID card other than regular licenses as defined s. 343.03(3)(a).

We appreciate your attention to this concern.

Mitchell Warren (608) 266-1449
