

**DRAFTER'S NOTE  
FROM THE  
LEGISLATIVE REFERENCE BUREAU**

LRBs0254/1dn  
RCT:jld:rs

February 5, 2008

Michael Bruhn:

Please review this draft carefully, especially the preemption provision. Should there be any exceptions to the prohibition? Should it be limited to lawn fertilizer?

Please let me know if you have any questions or want any changes.
