2 present at a meeting of the commission board.

3 (h) 1. The commission shall appoint a person to serve as clerk of the district.
4 The clerk shall administer the affairs of the district, under the direction of the

2 clerk shall issue certificates of election to persons who are elected to the commission
3 after each election in the manner provided under s. 7.53 (4).

4 (i) The commissioners shall be reimbursed for their actual and necessary
5 expenses incurred in the performance of their duties, but may not receive a salary.

14 becomes available from the federal government or is published by an agency of this
15 state, the commission shall, by vote of a majority of the members of the commission,
16 adopt a revised plan for the election districts within the district. Each election
17 district under the plan shall consist of contiguous whole wards or municipalities and
18 shall be equal in population insofar as practicable. Except as otherwise required
19 under sub. (10), the plan shall be effective until the commission adopts a revised plan

21 competent jurisdiction orders the commission to revise the plan at an earlier date.

22 **(8)** (a) Except as provided in par. (d), the territory of a political subdivision may
23 be in only one district, and no county may contain more than one district if the county

BILL

SECTION 77

1 that district shall transfer ownership of the park facilities that are located in the
 2 annexed territory to the district whose territory includes the annexing city or village.
 3 The district which receives the annexed territory shall negotiate a settlement

10 (b) If the park districts are unable to negotiate a settlement under par. (a)
 11 within 60 days after the effective date of the annexation that results in the transfer
 12 of territory, the districts shall agree on the selection of an arbitrator who shall decide
 13 the settlement amount, and send written notification of his or her decision to all
 14 parties, within 30 days after his or her appointment.

15 (c) A transfer of ownership under this subsection takes effect on the date on
 16 which a settlement is reached or the date on which an arbitrator sends written
 17 notification of his or her decision.

18 (d) If a city or village is located in more than one county, the city or village may
 19 become part of any district for which it is otherwise eligible to be a part of ^{even if a}

4 (b) If the electors of a political subdivision whose park facilities are included
5 within a district file a petition with the clerk of the district, not later than the 3rd
6 Tuesday in February of any year, requesting a referendum on the question of
7 withdrawal of the political subdivision from the district, the commission shall call
8 a referendum in the political subdivision for the purpose of submitting the question
9 of withdrawal to the electors of the political subdivision for approval or rejection. The
10 referendum shall be held concurrently with the spring election.

11 (c) The question submitted to the electors shall be "Shall the ... (name of
12 political subdivision) withdraw from the ... (name of district)?" If the electors

2 political subdivision remains a part of the district after a political subdivision
3 withdraws, the political subdivision that withdraws and the commission shall
4 negotiate a settlement agreement to compensate that park district for the park
5 facilities that are located in the political subdivision, based on at least all of the
6 following factors:

7 1. The current value of park facilities that are transferred.

8 2. The amount of money or any other contribution made by the district for the
9 park facilities that are transferred.

10 3. The amount of money or any other contribution made by the political
11 subdivision municipality for the park facilities that are transferred.

12 (g) If the political subdivision and the district are unable to negotiate a
13 settlement under par. (f) within 60 days after the resolution is approved in the
14 referendum under par. (a) or within 60 days after the referendum described under
15 par. (b) is approved, the political subdivision and the district shall agree on the
16 selection of an arbitrator who shall decide the settlement amount, and send written
17 notification of his or her decision to all parties, within 30 days after his or her
18 appointment.

19 (h) A withdrawal under this subsection takes effect on January 1 following the
20 date on which a settlement is reached or the date on which an arbitrator sends

22 (10) (a) Whenever a political subdivision is attached to a district, a political
23 subdivision withdraws from a district, or a former municipality becomes a part of a
24 district by municipal consolidation, the terms of the members of the commission or
25 political subdivision commissions of the affected district or districts shall expire on

BILL

2 withdrawal, or municipal consolidation becomes effective. At the spring election
3 immediately preceding the expiration of the terms of the commissioners, all
4 members of the commission serving the revised district shall be elected in the same
5 manner as members of initial commissions are elected under sub. (7) (b).

6 (b) Whenever territory is annexed to or detached from a political subdivision
7 that is a part of a district on the effective date of the annexation or detachment, the
8 commission shall, at its next meeting following the effective date of the annexation
9 or detachment, attach or detach the annexed or detached territory to an election
10 district that is contiguous to the annexed or detached territory in such manner as to
11 maintain, in so far as practicable, election districts of substantially equal population.
12 In conjunction with any action under this paragraph, the commission may adjust the
13 boundaries of the remaining election districts within the district if required to
14 maintain election districts of substantially equal population.

15 **SECTION 78.** 27.162 of the statutes is created to read:

16 **27.162 Local park districts; jurisdiction and expansion.** (1) The initial

22 (2) (a) With the approval of the commission, the jurisdiction of the district may
23 be expanded to include any other political subdivision under procedures adopted by
24 the commission and consistent with an agreement entered into between the

19 (4) If a referendum is held on the question of attachment of a political
20 subdivision to an existing district, the question shall be submitted at the first regular
21 election occurring not sooner than 45 days after the date that the governing body
22 adopts a resolution submitting the question to a referendum and the commission
23 approves that action. The question shall be "Shall the (name of political
24 subdivision) become a part of the (name of district)?" If the question is approved
25 by the electors, the governing body shall enter into an agreement with the
