1 AN ACT *to amend* 943.017 (2) (d) of the statutes; **relating to:** graffiti and
2 providing a penalty.

Analysis by the Legislative Reference Bureau

Under current law, a person who intentionally marks, draws, or writes on or etches onto another person's property without the person's consent is guilty of a misdemeanor and may be fined not more than \$10,000 or sentenced to the county jail for up to nine months or both. If, however, the property is reduced in value by more than \$2,500, the person is guilty of a felony and may be fined up to \$10,000 or sentenced to a term of imprisonment of up to three and one-half years, which if the sentence is for more than one year consists of a term of confinement in state prison followed by a term of extended supervision, or both. This bill lowers the damage threshold for the felony version of the offense to \$1,000.

Because this bill creates a new crime or revises a penalty for an existing crime, the Joint Review Committee on Criminal Penalties may be requested to prepare a report concerning the proposed penalty and the costs or savings that are likely to result if the bill is enacted.

For further information see the ***state and local*** fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
