**Assumptions Used in Arriving at Fiscal Estimate**

OCI is unable to determine the state fiscal effect of this bill. It is anticipated that possible administrative rulemaking and increased complaint activity against insurers could result in an increase in the need for resources beyond the agency's existing budget authority. OCI anticipates that once the agency gains experience with compliance issues related to SB 337 an assessment of agency needs related to this bill will yield a reliable estimate.

**Long-Range Fiscal Implications**
