Subject: World languages

Tracy -

I just got a call from John Vander Meer in Hebl's office. He wants a redraft of his world languages bill, LRB-3650. He started telling me what he wanted before I realized it was your draft, so I just went ahead and took the instructions. Here they are:

- He wants to allow gifts and grants to be used for the same purpose as the GPR grants. (Or, as he put it, he wants "private corporations to be able to contribute to the fund.")
- He wants to make sure that the money isn't used for ESL programs. I suggested changing "world languages" to "foreign languages," but he'd prefer to add "other than English" on page 2, line 13 after "languages." I think that works too.
- Do a senate companion bill for Lassa. He suggested calling Danielle for authorization.

I asked about the first item. It seems to me that since DPI already has a gifts and grants appropriation, nothing needs to be done. John said that both of the additions come from Lassa's office and the person to talk to is Danielle.

No need to add specific language regarding gifts + grants made towards foreign languages program.

A component of the professional development program will be methods for integrating the world language into the curricula of other classes taught concurrently with the world language.
