4 Program.

Analysis by the Legislative Reference Bureau

Under the Milwaukee Parental Choice Program (MPCP), a pupil who resides in the city of Milwaukee may attend a private school at state expense under certain conditions. Currently, persons are not required to be licensed to teach in any private school. Current law requires persons seeking to teach in a public school, including a charter school, to hold a license or permit issued by the Department of Public Instruction (DPI). Current law also requires all instructional staff of a charter school to hold a license or permit issued by DPI. DPI has defined “instructional staff” by rule to include all professional employees who have as part of their responsibility direct contact with students or with the instructional program of the school.

Beginning in the 2009–10 school year, this bill directs each private school participating in MPCP to ensure that all instructional staff in the private school hold a license or a permit to teach issued by DPI. The bill defines “instructional staff” to have the meaning under current rules.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
