

DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU

LRB-3943/1dn
ARG:jld:jf

January 28, 2008

ATTN: Ryan Supple

The attached bill is a companion to LRB-3803. The bill was drafted according to the instructions provided. I would recommend eliminating the last phrase of the underscored language (“and the overall dimensions of the load will not exceed the size limits specified in the permit”), as I think this language is superfluous. If the load exceeds the size limits stated in the permit, there will be a violation, regardless of whether the language is included in the bill.
