

**DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU**

LRB-4050/1dn
MGG:lmk:rs

February 13, 2008

I arbitrarily chose September 1, 2008, as the effective date for this legislation. Please let me know if you want to have this changed.

The draft increases to \$34.25 instead of to \$35. Currently, the total fee is \$18.00; \$17.25 plus \$.75 for the issuing fee. I assumed you wanted the total fee to be \$35; not \$35.75.
