Yes Beth or alternatively something like..... If the Department determines that a permittee who has applied for permit reissuance is not in substantial compliance with the expiring permit, the Department may not reissue the permit until the permittee regains compliance with expiring permit requirements or conditions. chuck

I believe it should read "UNLESS the department determines that the person is SUBSTANTIALLY OUT OF COMPLIANCE with the individual permit, if the withdrawal continues to qualify for an individual permit, the department shall reissue the permit"

Chuck, I've copied you – does that make sense?

Beth,

Can you clarify for me what is sought under this amendment? Is it simply to add "substantial" before "compliance" in the provisions cited by Chuck in his note below?

Thanks.

John

I'm not sure how this would imply "substantially out of compliance"

Beth,

Mark looked high and low for references to "substantially out of compliance" in WPDES statutes and rules and couldn't find any. Did you get any additional information from the Paper Council on this item (#6)?

Thanks.
