### **2007 - 2008 LEGISLATURE**

PRELIMINARY DRAFT - NOT READY FOR INTRODUCTION

2007 Bill

SARV

12958

AN ACT ...; relating to: drunken driving and creating a penalty

Analysis by the Legislative Reference Bureau

2005 Wisconsin Act 389 created a pilot program for sentencing persons in Winnebago county who are convicted of certain second or third offenses involving operating a motor vehicle with a prohibited alcohol concentration, or under the influence of an intoxicant, a controlled substance or its analog, or any combination thereof (OWI). Under that act, the minimum period of imprisonment for an OWI offense in Winnebago county is reduced if the violator successfully completes a period of probation that includes alcohol and other drug treatment. A person may option complete a treatment program and receive a reduced period of imprisonment only once.

This bill expands the sentencing option to any county that opts to allow a violator to successfully complete a period of probation that includes alcohol and other drug treatment in exchange for a shorter maintain period of imprisonment.

Because this bill creates a new crime or revises a penalty for an existing crime, the Joint Review Committee on Criminal Penalties may be requested to prepare a report concerning the proposed penalty and the costs or savings that are likely to result if the bill is enacted.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

**SECTION 1.** 346.65 (2) (bm) of the statutes is amended to read:

346.65 (2) (bm) In Winnebago County, any county that opts to offer a reduced 2 minimum period of imprisonment for the successful completion of a probation period that includes alcohol and other drug treatment if the number of convictions under ss. 940.09 (1) and 940.25 in the person's lifetime, plus the total number of suspensions, revocations, and other convictions counted under s. 343.307 (1) within 5 a 10-year period, equals 2, except that suspensions, revocations, or convictions 6 arising out of the same incident or occurrence shall be counted as one, the fine shall be the same as under par. (b) par. (am) 2.1 but the period of imprisonment shall be not less than 5 days, except that if the person successfully completes a period of 9 probation that includes alcohol and other drug treatment, the period of 10 imprisonment shall be not less than 5 nor more than 7 days.
