Attachments: Fallen Soldier Names.doc

Gentlemen,

Here is the Word document with the names of the remaining Fallen Soldiers that have not had joint resolutions introduced. It does not include the 3 that were already introduced this session, as well as the 2 from Senator Lassa's district that are coming down on Tuesday. It also includes those soldiers that were on the Department of Military Affairs list provided to me, that had Wisconsin connections but did not reside here. This document lists their city and state, whereas the ones from Wisconsin lists only the city, town or village.

Please make sure this document is in the format you desire: Rank, Name & Residence.

Thanks.
