Steve,

Attached is the language for the Billy Bruton resolution.

I read all the others we've gotten so far and they look good, especially the Booker Townsell one. We're going to wait until the end of the day to hear from Reps before I have them jacketed. We'll have a final Whereas added to each one that will read like this:

...; and

Whereas, the adoption of this Senate Resolution is supported not only by the Senate, but also by members of the Assembly, including specifically Representatives X, Y, and Z; now, therefore, be it

Resolved by the senate, That . . .

We'll fill in the Reps names before I send it to you.

Let me know if you have any questions. I'm feverishly trying to get information on our last name, James Baker.

Thanks,
Adam
