The director of state court's office originally requested that the attached draft contain a provision by which the language of s. 758.19 (2) (a) 2. would be broadened so that it would include any sums collected as user fees collected by the director of state court's office for use of the consolidated court automation programs ("CCAP") and those moneys were to be deposited into the appropriations account under s. 20.680 (2) (j). However, it recently came to my attention that all moneys received under s. 758.19 (2) are presently required to be deposited into the appropriations account under s. 20.680 (2) (h). This draft authorizes the director of state courts to collect user fees for CCAP pursuant to created s. 758.19 (4m) and requires all such user fees to be deposited into the appropriations account under s. 20.680 (2) (j). *fix*

Good morning,

I have one revision to LRB-0110/3, Justice information system surcharge. I would like to remove the language that transfers the \$1 from the general fund to CCAP but retain the language to allow the courts' to establish a user fee for E-filing.

Please let me know if you have any questions!

Brett,

Thank you for the latest draft. After further review, we would also like to remove the elimination of the exemptions...if that makes any sense at all.

I would like to include the exemptions from the surcharge for first violation of a prohibited BAC on page 2, lines 13-16 and on page 2, lines 19-22. In the current draft, these exemptions are removed. I would like to put them back in.

If this is confusing, please give me a call at 267-0370.

Thanks!

Hi Brett,

I have two revisions related to surcharges and chapter 758.19 for LRB-0110/5.

1. Increase the court support services surcharge under s. 814.85:
  - a. from \$68 to \$75
  - b. from \$169 to \$186
  - c. from \$51 to \$56
  
2. Change the language under 758.19(5)(b) to take out the dollar amount and date of October 29, 1999. My intent is to include the new county aid funding amount (created under LRB-1181/4) plus the current payments made under 20.625(1)(d). The language could read something along the lines of: "The amounts in the schedule under appropriations 20.625(1)(d) and (1)(q) for the director of state courts to make payments to counties. The payments shall be distributed as follows:" The current formula should be retained.

Thank you for your help and please call with any questions!
