2007-09 Statutory Language Proposals

Division:	Land And Forestry
Bureau:	Parks And Recreation/Southern Forests
Issue/Topic:	Interpretive Fee Revenue Appropriation
Proposed Change:	The Department requests a new "all moneys received" continuing appropriation in Program 1 for revenue received from fees collected for some educational and interpretive programs at Wisconsin State Park System (WSPS) properties.
Explanatory Note:	<p><i>(9)(d)</i></p> <p>WSPS has authority to charge participants for specific educational/interpretive programming per s. 27.01(9), Wis. Stats., and s. NR 45.12(4)(j) Admin. Code. WSPS implemented a fee policy in January 2005 for specialized educational/interpretive programming requested by groups or schools that is above and beyond the regularly offered educational/interpretive programs conducted by WSPS staff. The fee policy does not apply to normally scheduled programs for campers and other property visitors. Fees collected are currently deposited in the Conservation Fund. WSPS would like to use the fees to recover costs associated with maintaining and/or upgrading equipment and developing innovative program components and the supplies consumed during the presentation of those programs. This proposal would allow for appropriation of this revenue to WSPS properties.</p>
Desired Effective Date:	Effective Date of the 2007-09 Budget.
