2007-09 Statutory Language Proposals

Division:	CUSTOMER AND EMPLOYEE SERVICES
Bureau:	CUSTOMER SERVICE AND LICENSING
Issue/Topic:	Tribal Reimbursements
Proposed Change: <i>Mary</i>	This proposal modifies Wis. Stat. s. 29.2295, which requires the Department to reimburse the tribe for fishing licenses issued on the Lac du Flambeau reservation. The Department proposes adding the 2-day Resident Inland Trout Fishing license which was created in 2005 Wisconsin Act 25. These changes will correct statutory language to coincide with the agreement with the tribe.
Explanatory Note:	When the 2-day Resident Inland Trout Fishing license was created in Wisconsin Act 25, the language was not added to s 29.2295. This change corrects that error.
Desired Effective Date:	Effective Date of the 2007-09 Budget.

PRELIMINARY DRAFT - NOT READY FOR INTRODUCTION

Gen

1 AN ACT ...; **relating to:** the issuance of fishing licenses that authorize the taking
2 of inland lake trout by the Lac du Flambeau band of the Lake Superior
3 Chippewa.

Analysis by the Legislative Reference Bureau

X Under current law, the Department of Natural Resources (DNR) and the Lac
X du Flambeau band of the Lake Superior Chippewa (band) have in effect an
agreement under which the band agrees to limit its treaty-based, off-reservation
rights to fish in exchange for the authority to issue DNR fishing licenses and stamps
as an agent of the DNR. Under the agreement that band retains all of the fees the
band collects for these fishing licenses and stamps. This bill adds resident two-day
inland lake trout fishing licenses to the type of DNR licenses that the band may issue.

Also, under current law, the band may issue its own fishing licenses and stamps
that are equivalent to the certain fishing licenses and stamps issued by the DNR.
This bill adds resident two-day inland lake trout fishing licenses to this list of
licenses for which equivalent licenses may be issued by the band.

1. I added resident two-day inland lake trout licenses to the list in s. 29.299 (2). OK?
2. The analysis in this draft makes the assumption that the agreement referred to in ss. 29.229 (6) and 29.2295 (5) are in effect. If that is not the case, this will need redrafting.
