1 AN ACT ...; relating to: the budget.

Analysis by the Legislative Reference Bureau

HEALTH AND HUMAN SERVICES

CHILDREN

Under current law, DHFS provides or oversees county provision of various services to children and families. Those services include services for children in need of protection or services and their families; adoption services for children whose parents' parental rights have been terminated; licensing of child welfare agencies, foster homes, group homes, day care centers, and shelter care facilities; conducting background investigations of caregivers of children; investigating cases of suspected child abuse or neglect; providing a state supplemental food program for women, infants, and children; and distributing funding for children's community programs, child abuse and neglect prevention programs, services for children and families, food distribution programs, domestic abuse services, tribal adolescent services, community action programs to assist poor persons, and a brighter futures initiative to prevent delinquent behavior, alcohol and other abuse, child abuse and neglect, and nonmarital pregnancy. This bill creates the Department of Children and Families (DCF) and transfers from DHFS to DCF the duty to provide or oversee the provision of those services. The bill also renames DHFS as the Department of Health Services.

Under current law, DWD administers the Wisconsin Works program, which provides work experience and benefits for low-income custodial parents; job search assistance to noncustodial parents who are required to pay child support, to minor custodial parents, and to pregnant women who are not custodial parents; and child care subsidies for eligible parents who need child care services to participate in various educational or work activities. DWD also administers the program for child and spousal support establishment and enforcement and paternity and medical support liability establishment. This bill transfers from DWD to DCF, created in the bill, the responsibility for administering those programs.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

1 **SECTION 1.** 6.47 (1) (ag) of the statutes is amended to read:

 12 operations of the administration for said state agencies and at the same time
 13 interfere least with their services and activities.
